

# 2019 Session – CMC Legislative Tracker

We are working hard on your behalf! The Central Maryland Chamber (CMC) and its Legislative Committee are very active this legislative session. Below is a tracker of the bills we are actively working to support or oppose. As you will see, we have already done a lot of your behalf, but there is still more to be done. The CMC will continue to fight to make sure we have a business-friendly environment that allows your business to prosper and grow without overly burdensome regulations!
